ARE TO CANVASS ENTIRE CITY

Commercial Club to Seek at Least Fifty Girls to Work in Proposed Shoe Factory.

The directors of the Commercial club met Monday night and appointed a committee composed of J. W. Chambers, Frank Murphy and E. C. Smith to canvass the city to find as many as 50 girls and women who would take position with the shoe factory which is to be located here.

The representative of the factory will be here Friday to meet with the directors and ascertain how far they have progressed on securing the necessary labor. The factory will locate if they can secure as many as 50 girls and women to begin with and the Commercial club is to secure this help.

Those who want positions will

Wednesday afternoon and will probably meet with the directors and the factory representative on Friday.

The directors are assured by the factory people that if they can start with 50 they will in six months time be able to increase the force to 100 or more. Of course, they would start with a hundred if they could get them, but they are only asking the Commercial club to furnish 50.

The directors appointed Geo. Tomlinson, Jeff Q. Stewart and B. R. Journe as a nominating committee to nominate the officers to be elected in January.

It was decided to have a smoker for the public some time in January and the annual banquet in February.

NARROW ESCAPE FROM DEATH

Ab Dunham's Arm Is Caught and Bullet Is Deflected as He Attempts to Shoot Grant Edgington.

A serious shooting affray was narrowly averted in the saloon of Mr. Hughes on North Main street Monday night, when Ab Dunham and a young man by the name of Grant Edgington had a difficulty. Dunham attempted to shoot young Edgington, but a bystander caught the pistol just as it was fired and the bullet instead of striking Edgington went to the floor. Dunham was arrested immediately by Officers Boone and Rice.

Capt. and Mrs. Frazee, who are in charge of the Salvation Army in this city, made 50 homes happy Sunday morning. A subscription was taken by them last week for the purpose of furnishing the worthy poor a Christmas dinner. Sunday morning they started out and visited homes and left a basketful of substantial food at each place, with some candy for the children.

YOUNG INDIAN KILLS HIMSELF

Slashes His Throat With a Penknife Because His Young White Sweet-heart Jilted Him.

CAMDEN, N. J., Dec. 27.—Heartbroken because his sweetheart, a white woman, had jilted him on Christmas eve, Wm. M. May, 21 years old, a full-blooded Indian, committed suicide Sunday at the corner of Eighteenth and Federal streets, while Christmas crowds were on their way to worship, by slashing his throat and stabbing himself with a penknife, the gift of the young woman to whom he had been betrothed. He died two hours later at the Cooper hospital.

May told doctors at the hospital that he had lavished gifts on Miss Elsie Staley, to whom he was engaged to be married, and Saturday night he went to his sweetheart's home and laid another on the table.

Later in the evening the pair disagreed over some trifling matter and the young woman told the Indian that he need no longer call.

May walked the streets all night, he told the doctors, and then decided to end his troubles.

HEROISM OF YOUNG WOMAN

Assisted by Four Men, Effects Rescue of Seven, When Boat Capsizes in Storm.

NORFOLK, Va., Dec. 27.—The rescue of five men from death in the icy waters of Chesapeake Bay Saturday night was effected partly through the heroism of Miss Addie Parkerson, 16 years old. When a dory containing seven men put out for the bark Kingdom in the teeth of a northwest storm the little boat was capsized. Two men, named St. Clair and O'Connor, were drowned.

The cries of the men were heard by Miss Parkerson, who lives at Ocean View, and with the assistance of four men she launched a boat and went to the rescue. Five men were pulled out of the surf.

Miss Parkerson was wet from her head to her feet when she again reached the shore, but she saw that the rescued men were cared for before she would consent to go to her home on the beach and change her clothes.

EXPLOSION OF DYNAMITE BOMBS

Is Culmination of What the Police Call a Feud of Long Standing Among Gamblers.

NEW YORK, Dec. 27.—As the culmination of what the police call a feud of long standing among the Harlem gamblers, two dynamite

bombs were exploded within five minutes of each other early Sunday in vestibules of Harlem houses. Both bombs went off shortly before 8 o'clock Sunday morning a block apart in One Hundred and Sixteenth street. The only clue to the identity of the perpetrator is the statement of a policeman who describes a mysterious man who went racing through the street in a black taxicab shortly before the explosions.

On one side of the place of the first explosion is a new social club, and on the other a dance hall. The windows in these buildings were shattered, and the club thrown into a panic.

Before the surprise of the first explosion had disappeared there came another more violent crash a block away. It blew out both the inner and outer windows of the building and routed nearby residents from their beds. Both places are near a club which was raided not long ago by Deputy Police Commissioner Driscoll. After the raid the commissioner announced that gamblers had raised a fund of \$15,000 to kill him.

It is predicted freely and on all sides that Congressman Ben Johnson who is regarded the greatest of all political scappers in the state, will not lay down in front of the McCrea steam roller until he has let every Democrat in the state know that he is in the campaign.

Word has come already from the Democratic Gibraltar of this state, the First congressional district, that Col. John K. Hendrick is going to take the stump and let out a hollow, and that Congressman Ollie James will have something to say about the Democratic state executive committee repudiating their national platform of refusing to choose their nominee for United States senator by the direct vote of the people.

It would not be a surprise, too, if he was not backed in his remarks by Col. Wm. J. Bryan of Nebraska, and the trouble that is going on over in New York and Ohio about the selection of Democratic senators will be used as striking illustrations.

It would be smooth and easy sailing for the party that now occupies the state house if all was harmonious within their ranks. But factional fights bid fair to wreck the administration.

During all the trouble the two members of the administration who have been ever ready to act as peacemakers are Treasurer Farley and Attorney General Breathitt.

But several other distinguished lawyers have been consulted in the preparation of these plans and the information comes from absolutely authoritative sources. Not only will the will of Mrs. Eddy be attacked as illegal under the statutory laws of Massachusetts, but there is every promise of a separate proceeding which will be directed against Christian Science itself as a movement against public policy.

KRESS' OPEN WEDNESDAY AT 1 O'CLOCK.

Unusual preparations are being made at Kress' to make their regular annual inventory sale, which starts Wednesday, Dec. 28, at 1 o'clock, one to be remembered. The store will be closed to the public Wednesday forenoon, but all the employees will be very busy inside, assembling the big bargains in each department, so that the doors can be opened promptly at 1 o'clock next Wednesday.

All left-over holidays goods, slightly soiled or broken assortments of staple lines, etc., must be closed out before the annual inventory is taken at the end of this week, consequently great bargains are promised.

WAITING FOR DEVELOPMENTS

Treasurer Farley and Attorney General Breathitt Are Ready to Act as Peacemakers.

FRANKFORT, Ky., Dec. 27.—While waiting for developments in the big Democratic row that will terminate in the state primary May 27, politicians, both Republicans and Democrats, of this section of the state are only certain of one thing and that is that the campaign leading up to the primary will be one that will be remembered for a long time.

It is predicted freely and on all sides that Congressman Ben Johnson who is regarded the greatest of all political scappers in the state, will not lay down in front of the McCrea steam roller until he has let every Democrat in the state know that he is in the campaign.

Word has come already from the Democratic Gibraltar of this state, the First congressional district, that Col. John K. REPORTS OF AWFUL FAMINE IN CHINA

Has Affected 3,000,000 Persons, and \$1,000,000 Is Urgently Needed for Immediate Aid.

NEW YORK, Dec. 26.—Private advices received here state that the famine in China has so far affected 3,000,000 persons and that \$1,000,000 is urgently needed for their aid. Rev. Arthur J. Brown, chairman of the committee on reference and counsel, representing the boards and societies of foreign missions in the United States and Canada, made public here Saturday night the following cablegram from the interdenominational committee in Shanghai:

"Famine to a great extent over northern part of Kiang Su and An Hui provinces. Three million people affected. Chinese government and people generously contributing relief.

According to report of missionaries

committed in Shanghai:

"BUCYRUS, Ohio, Dec. 26.—Six dead and six injured is the toll of a railroad wreck which occurred at 4:45 o'clock Saturday morning on the Ft. Wayne division of the Pennsylvania railroad five miles west of Bucyrus, near Nevada, Ohio. Four railroad employees and two passengers are in the death list, while three railroad men and three passengers were taken bruised and bleeding from the ruins of the dismantled engines and wrecked sleeping cars.

Fireman Connelly, on one of the wrecked engines, in Ft. Wayne, Ind., Saturday night made a statement which has convinced railway men that Engineer Craig, his cab partner, had died of heart disease while seated at the throttle and that this caused his train to run past warning signals.

From Joy to Traedy.

Two trains, passenger No. 15 and eastbound express No. 48, which was laden with Christmas gifts, collided head on and turned what would have been a joyful Christmas into a day of mourning for the relatives of the passengers.

The peaceful night resounded with

discordant echoes when, following the terrific crash, the roar of escaping steam was mingled with the cries of the injured, the screams of frightened passengers and shouts of the rescuers.

Those who met death in the crash were mercifully spared suffering, all six being killed instantly. Of the injured two are critically hurt, but may recover, while of the remainder none of the injuries are considered dangerous.

in the district affected relief is insufficient. Interdenominational committee organized in Shanghai proposes that missionaries co-operate with generous Chinese to raise funds and in distribution. A million dollars is needed. Help must be carried on until May. Please communicate this to missionary societies, church papers and Christian Herald, urgently requesting contributions."

The combined population of the two provinces named in the cablegram is 37,650,549.

PROCEEDING AGAINST CHRISTIAN SCIENCE

As a Movement Against Public Policy May Be Made in Contesting the Will of Mrs. Eddy.

NEW YORK, Dec. 26.—The American Sunday morning says:

"Mary Baker G. Eddy, the founder of Christian Science, has left as a legacy to the cult she created the gravest crisis in its history.

"She did this unknowingly, of course, when in her will she made the Mother church her residuary legatee and bequeathed it to the bulk of her estate, which conservative estimate fixes at close to \$3,000,000.

"No doubt remains that the heirs of Mrs. Eddy—her son, George W. Glover, and her adopted son, Dr. E. J. Foster Eddy, have reached a final decision to fight for possession of this fortune.

"It is equally certain that former United States Senator William E. Chandler and other distinguished counsel representing the heirs, have determined upon a line of legal action which will raise unique issues and arouse international interest.

"More than a thousand reinforcements are now in the city. Government troops which started a week ago from Sonora, are reported within two days' march of Guerrero, one of the insurrectionary strongholds.

TEN CIVILIANS ARE EXECUTED

Revolutionists Surround General Navarro, but His Situation Is Not Thought To Be Precarious.

CHIHUAHUA, Mexico, Dec. 24.—An American who has been ten days with the insurrectionary forces returned Friday, bringing news that the latter recently executed ten civilians hostile to the revolt. Their number includes one judge.

While the revolutionists surround Gen. Navarro at Padermiles, his situation, according to this information, is not precarious. He could march out with his force and do battle, but is awaiting reinforcements.

Gen. Brandon, the Mexican Herald correspondent, who has been with the federal forces, and for whose safety grave fears have been entertained, returned here Thursday night.

He left the army pursuant to a war office order that no more correspondents be allowed with the troops. F. A. Sommerfield, who has been observing operations from the insurrectionary side, also returned.

A daring squad of four insurgents rode into this city Thursday night distributing circulars stating that the citizens should remain within doors after 5 o'clock Saturday afternoon, as the rebels intend to enter the city. Warning was not regarded seriously.

COURAGE.

Time usually helps toward correct
conclusions. It will be so in the general
judgment of Col. Roosevelt's
part in the late elections. The
nation, held and propagated by a cer-
tain type of his opponents, that he
was moved, not by genuine impulses,
but by personal calculations for
1912, will hardly exist long even in
the regions where it was born. The
real Roosevelt is the one sketched by
Judge Lindsey in "The Beast." When
Colorado was on fire for silver, in
1900, Roosevelt, then governor of
New York, appeared in the Denver
opera house to make a campaign
speech. As he faced the crowd he
bared his teeth, and the first words
they heard were: "We stand on a
gold platform." Judge Lindsey,
whose life has been a hard and noble
fight, says that when he has faced
the hoot of prejudiced opposition, he
has remembered Roosevelt and filled
his lungs again. That is the Roosevelt
who is stamped on the mind of
America, and who has pointed the
path to many of the best among her
public men.—Collier's.Congress sets a bad example to

ENTIRE CREW

lide. Exact Cause of Accident Has
Not Been Determined.ANTWERP, Dec. 27.—The steamers
Finland and Baltique were in col-
lision Sunday at the mouth of the
River Escout. The Baltique sank
quickly and all the crew were drowned.
The rescued were taken on board
the Finland.The Red Star liner Finland was
bound from New York. The Baltique,
a Belgian steamer of 1364 tons, was
outward bound with a cargo of sand.
The exact cause of the collision is
not known, but it is said the Finland
struck the Belgian amidships in veer-
ing. The Baltique sank immediately.Part of the crew were rescued by
the Finland; and others by a pinnace.
The Finland is now anchored at

she has sustained any damage.Six hundred under Gen. Navarro at

Malpaso); nearly 700 at San Antonio,
made up of about 340 who were
injured in the Malpaso ambuscade
and about 340 reinforcements, and
1300 who arrived here Saturday. The
latter include a battery of artillery
made up of two light mortars for
firing over hills, two Hotchkiss guns
and two rapid fireers.Twenty-two passenger coaches are
now on the tracks of the Mexico and
Northwestern railroad to forward the
reinforcements. Saturday was spent
in loading food on the cars and in
making other preparations for the
campaign.These troops will go first to San
Antonio, making a new force of 2000
led by the best of leaders in Mexico.
It is their program to take Malpaso,
the present rebel stronghold. This
once taken, a junction will be formed
with Navarro by the troops which
have come overland from Sonora. All
this will entail serious work, but that
is no fight here now and there are
few who view affairs impartially but
believe the federals will triumph
eventually.The insurgents lost one chance of
creating a nation-wide revolt when
they failed to crush Navarro at Cerro
Prieto. At that time they did not
have their forces concentrated and
Navarro held his own.Navarro is now strictly on the de-
fensive at Pedernales.While he is under orders not to
take the offensive, he is in a defensive
position which the insurgents can
attack without disaster. This job
is to sit tight and allow the reinforce-
ments, now numbering treble his own,
to continue the campaign.Two big trains carrying 1300
troops left here Saturday morning to
reinforce Gen. Navarro. Their first
duty, a difficult one, will be to take

WORLDS RECORD

FOR ALTITUDE

is Now Held by Arch Hoxsey of the
Wright Team of Aviators. Soars
Two Miles Upward.LOS ANGELES, Cal., Dec. 27.—
Seventy-five thousand people saw
Arch Hoxsey of the Wright team of
aviators, break the world's record for
altitude here Monday. He soared
more than two miles up into the sky,
his ariograph registering 11,474 feet,
or almost a thousand feet above the
altitude of 10,499 feet recently attained
by Le Gagné at Pau, France.This is the second time the existing
world's altitude record has been broken
in Los Angeles, the first time being
last January, when Louis Paulhan
rose a little over 4000 feet.Hoxsey accomplished his feat in a
40-mile gale that wrecked Hubert
Latham's Antoinette monoplane and
kept more cautious aviators on the ground.
Hoxsey sailed into the sky at 1 o'clock.
At 2:45 o'clock his barograph showed the
greatest height while he soared over Venice,
a seashore resort, more than 20 miles
from the aviation field.Coming down he made a series of
thrilling spiral glides while thousands
of feet in the air. Before he came lightly
to the earth the crowd was on its feet cheering.
He was lifted from his biplane by fellow aviators,
who paraded up and down before the grand stand,
bearing the intrepid aviator on their shoulders.
The crowd insisted on making a hero
of Hoxsey and did not give him time to
doff his furs, but marched him back and forth
before the grand stand.

SENATORIAL BOOM

SPRUNG FOR FAULKNER

Jas. W. Faulkner, Newspaper Man of
Cincinnati, Is After Democratic
Nomination in Ohio.CINCINNATI, Dec. 24.—A senatorial boom
has been sprung in behalf of James W. Faulkner, a widely
known political writer for a Cincinnati paper, *The Columbus*. Hamilton
county Democrats are backing the
movement and he is being indorsed
by newspapers throughout the state.Mr. Faulkner, while in no sense a
candidate for the office, is generally
regarded by the Democrats of his
home city as a man peculiarly fitted
for the place through his profound
knowledge of state and national politics.The Democrats of Hamilton county
are dissatisfied with the joint debate
between Pomerene and Hanley, and
are looking for another man. The
name of Mr. Faulkner was first mentioned
by Dr. Thomas P. Hart, opponent
of Nicholas Longworth for congress,
immediately after the result of
the election became known.Since that time the movement to
make Mr. Faulkner senator has been
spreading and now is being advocated
in many places up the state. In
case of a deadlock between Pomerene
and Hanley it is probable both
factions easily could unite on him on
account of his personal popularity
and known ability, and there is no
other active candidate from this part
of the state.Mr. Faulkner is making no cam-
paign for the office, and is at present
touring the state with the Pomerene-
Hanley debaters in his capacity as a
newspaper writer.STATE OF WILD
DISORDER PREVAILINGGREENSBURG, Pa., Dec. 27.—
A state of wild anarchy prevails
throughout the Westmoreland county
mining strike region. Serious rioting
has occurred at Osborne and Yukon
and there has been much disorder

murders have been committed in
Westmoreland county in 24 hours,
and detachments of the state constables
have been rushed all over the
region.Don't judge the picture by the

A HEMP SUIT.

At Danville a suit was filed by Mr.
Brayer Moore, a prominent farmer,
against the American Trading company.
He alleges he sold his hemp to Geo. Cogar for the company; that
Cogar was stricken with paralysis
and when his affairs were wound up
his creditors got but little. The petition
says the Trading company is a
corporation that fixes the price of
hemp both to the buyer in the East
and the farmer who grows it in Ken-

tucky and that it is a trust operated
in defiance of the laws. The Trading
company is composed of D. S. Gray
of Winchester, Ford Brent of Paris
and several Lexington hemp dealers.
The Trading company denies that Cogar
bought the hemp from Moore for
its benefit, but that the sale was a
trade between the two men. Also
they deny that the Trading company
is a trust or that it is run in violation
of the laws.—Jessamine Journal.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps, almost always cures.

"Favorite Prescription" is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice.

Some of the numerous and strongest of professional endorsements of its ingredients will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of KNOWN COMPOSITION. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 31 one-cent stamps for cloth-bound copy.

If sick consult the Doctor, free of charge, by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

ADJUSTMENT OF STRIKE QUESTION

Four Million Dollars Annually in Increased Wages Is Granted to Locomotive Engineers.

CHICAGO, Dec. 26.—Four million dollars annually in increased wages was granted Saturday to the locomotive engineers on 61 Western railroads. This is an average advance of \$10.19 monthly to 32,780 men, or an increase of 10.3 per cent in the pay rolls of the roads involved.

Peace between the engineers and railroads is now assured for several years to come.

The Brotherhood of Railroad Trainmen and the Order of Railway Conductors have asked for an increase for 75,000 members on the same lines and it is understood the railroads are willing to grant an advance aggregating nearly \$5,000,000.

They will be settled Tuesday, as it is admitted there are no serious differences between these two organizations and the general managers.

NOBLE THOUGHTS.

New Year's greetings are greetings of good will. How they soften hard hearts, purify base desires, sweeten bitter thoughts, and make every deed purer and holier. Let hearts expand, sympathies enlarge, and good will reign. Let benediction drop from lips, and substantial gifts fall from overflowing hands. Make cheerful homes radiant, and hopeless hearts to thrill with unspeakable gladness. Forgive your enemies. Bury the past. Rise above the mean and petty resentments which you may have harbored against those who have not used you well. Be generous. Get ready to start the new year with kindly feelings and more noble ambitions. Make the New Year of 1911 a day to which you can always look back with pleasure and gratitude. Peace, good will unto you, dear reader, and a "Happy, Happy New Year to you all." Ed Shumuck in His Shelby Record.

OFFERS HIS EYE TO A FRIEND

Glass Optic Was Frost Bitten and Exploded, and Vanek Offered to Help His Chum.

COLORADO SPRINGS, Colo., Dec. 26.—Frank Vanek, well-known mining man of Cripple Creek district, Saturday night proved how strong Western generosity is, when he took out one of his own eyes and gave it to Sam W. Vidler, a mining and newspaper man, who had broken one of his own optics. Both men wear false left eyes.

Vidler's eye got frostbitten Thursday, and when he tried to thaw it out in warm water it exploded. Unable to secure another false eye in the mining camp, he was saved further discomfiture when his friend proceeded to take the glass eye out of his own head and turned it over to the former.

Until another eye arrives Vanek is using an old one he happened to have laid away.

HELD UP BY LONE BANDIT

Robber Opens Rear Door of Pullman Car and Confronts Astonished Crew With a Revolver.

KANSAS CITY, Mo., Dec. 27.—A bandit celebrated Christmas Sunday night by going through Missouri Pacific train No. 112, due here at 10:35, and holding up more than 100 passengers, from whom he took only money and watches.

The man boarded the train, which was from St. Joseph, bound for St. Louis, at Leavenworth Junction, in the outskirts of Leavenworth, and left it at North Western Junction, in Kansas City, Kan., after securing a large amount of money and valuables and shooting one man who attempted to resist him.

As the train pulled out of the Leavenworth Junction, the robber opened the rear door of the Pullman car and confronted the astonished crew with a revolver, after which he

robbed them. Causing the conductor and porter to keep still, he went through the car, taking up a collection of watches and wallets. Finishing with the Pullman he continued through the chair cars and the smoker until he had held up every passenger.

The train left Leavenworth Junction shortly before 10 o'clock, and by the time the man had finished his work it had reached Kansas City Junction. Here he dropped from the steps of the smoker and disappeared.

The railroad officials say the man who was shot was not seriously injured, and it is not known how much money the bandit secured.

PLUCKY FIGHT WITH A HATPIN

Saved Christmas Bundles Which Young Lady Was Carrying Home Screams Attract Attention.

COLLINGSDALE, Pa., Dec. 27.—Told up by a negro, who threatened her life, Miss Myrtle, the 18-year-old daughter of Wm. Gorgas, Sunday suddenly fought off her assailant with a hatpin till he fled at the approach of a white man who responded to her cries. Her arms were loaded with Christmas bundles when she saw the negro approach, but although no one was in the vicinity she felt no fear.

As the man passed her he suddenly turned, seized her by the throat and demanded her packages, saying with an oath that he would kill her if she resisted. Miss Gorgas wrenched loose from the man, turned on him and gave him a battle with a pin which she drew from her hat. Again he seized her by the throat, but she jabbed his arms so badly with the pin that he was forced to let go.

The screams of Miss Gorgas attracted the attention of a man who hurried to her assistance and the negro fled.

MOONSHINER IS SHOT TO DEATH

Pastor Is Aided in Fight by His Two Brothers, Also Baptist Preachers, One of Whom Was Badly Wounded

BLUE RIDGE, Ga., Dec. 26.—Carter Lingerfelt, a moonshiner, was shot to death Saturday afternoon in Mount Pisgah church, near here, by Rev. W. J. Kimmon, a Baptist minister. The pastor was aided in the fight by his two brothers, also Baptist preachers. One of the latter was seriously wounded by Lingerfelt.

While Christmas exercises were being held in the church Lingerfelt intruded and threatened to kill the preachers. Lingerfelt has previously threatened to run the three ministers out of the county if they continued to preach against "moonshining."

As soon as Lingerfelt drew his gun, the three preachers, it appears, were ready for him, for they opened fire and Lingerfelt fell, pierced by half a dozen bullets, not before, however, he had fired three shots himself, one striking Rev. H. W. Kimmon and inflicting a serious wound.

The preachers fired from the altar and Lingerfelt was killed just inside the church door.

Panic prevailed during the shooting, many of the women fainting and men crawling under the benches.

At the time the tragedy was being enacted a big illicit still operated by
